Renovations Wish List **Finishing Touches**

Your generosity has allowed us to afford all three phases of major construction in the Foyer, Sanctuary, and Bathrooms! The following items are not currently accounted for in our budget, so we invite you to consider helping us finish strong. Please prioritize your giving to the General Fund before considering these special gifts. You can designate your gift "wishlist" and specify an item, or leave it to the discretion of the Renovations Team. You are also welcome to give jointly with another family or donate a portion of a high priority item. Thank you.

Prayer Alcove Details

Glass Votive Candles & Shelves High Priority

\$300

Each prayer alcove will have a space on the wall with shelves of candles that can be lit during service as a means of prayer. The glass votives will be hand dyed with "alcohol ink" to cast light like stained glass.

Custom Built Prayer Kneelers (2) High Priority

\$300/

each

Each prayer alcove will have a small kneeler that can be used for prayer before, during and after worship, or throughout the week.

Hanging Plants High Priority

\$100

Just a little bit of green in the windows will add a nice touch to the alcoves

Audio Visual System Enhancements

Rear Confidence Monitor High Priority

\$2,045

This monitor screen, mounted on the back wall of the Sanctuary will allow members on the chancel platform (choir, worship leaders) to see the projection. It can also be used as a video screen for group meetings at Trinity & the community.

Media Desk High Priority

\$2,979

This is a professional-quality roll-top desk that will sit in the rear of the Sanctuary and hold controls for the A/V system. It is specifically designed for this purpose. We are excited to control sound levels from the rear of the Sanctuary to minimize distractions!

Assisted Listening High Priority

\$3,111

This is a "starter pack" of assisted listening devices that individuals hard-of-hearing can choose to use during worship. Additional devices can be added later once the system is configured.

Chancel Video Lighting Low Priority

\$9,389

"Stage-lights" on the chancel/altar area will dramatically improve the Sanctuary lighting and allow more possibilities with capturing video. Imagine having lighting good enough to video and project children's moments or baptisms live on the screens.

Artwork

<u>Prayer Alcove Artwork High Priority 2 pieces @ \$600 each</u>

We would like to feature a special piece of artwork in each prayer alcove that remains a permanent piece in the Sanctuary. We will work with an artist to ensure that these original pieces reflect values and character of our congregation. This cost includes framing.

<u>Pilaster Artwork High Priority 8 pieces @ \$250 each</u>

The pilasters (dry-walled "bump outs") designed by the architect create a rhythmic feel to the Sanctuary, and remove attention from the closets. Each pilaster will have a lighting sconce fixture and a place for a piece of artwork to add color and art. We would like to purchase a set of semi-permanent artwork for the pilasters. In some seasons, we'll hang seasonal art exhibits, and in other seasons return to this semi-permanent collection.

Stained Glass Windows

Foyer Stained Glass Meritage Medium Priority \$4,200 per set of two

We are working with a local stained-glass artist to adapt several of Trinity's historic windows to hang in the foyer, with beautiful natural light behind them. The windows are simply too tall to fit inside the new Sanctuary windows, but several will find a beautiful sunlit home in our welcoming foyer. For more details see Ann Brakob.

Sanctuary Door

Exterior Sanctuary Door High Priority \$8,000

We can protect our newly renovated Sanctuary with new exterior doors (near the chancel). In serious need of replacement, these doors are used regularly by the Scouts and other community groups. Commercial, fire-rated doors are expensive and must-haves.

Hospitality Furniture

All these pieces will be custom-made by Larry Scholl and finished in high-quality laminate. They will match the Children's Check-In Desk and the Connection Corner Desk already in use.

Food Server & Storage Medium Priority \$2,500
A long and low table in the hospitality are of the Sanctuary will serve food and

provide cabinet storage space beneath it for paper products.

Coffee Bar Medium Priority \$1,500

A coffee bar will serve coffee and other drinks.

Ushers' Corner Cabinet

Medium Priority

\$750

A corner stand at the Sanctuary entrance will provide easy access to bulletins, hymnals, and other worship necessities.

Sanctuary Celebration

Sanctuary Celebration Costs (food, music, etc)

\$any amount

<u>helps</u>

Help us throw a big party in September 2019 to praise God and say "thank you" to the congregation, donors, contractors, architects/engineers, Capital Campaign Team, and Renovation Team for all their generosity of time, talent, and treasure. We will hold a party to celebrate the Sanctuary space!
